CONTEST FORMALLY DECLARED OFF

An Arrangement May be Made for a Bout Between Maher and Corbett—The Champion Declares That he Will Assault Fitzsimmons on Sight.

HOT SPRINGS, Ark., Oct. 22.—Unless Robert Fitzsimmons recants and, through his manager, Martin Julian, accepts the extraordinary condition which confronts the fight situation here, there will be no contest between Corbett and Fitzsimmons unless it be an impromptu one, shown of purse offerings, ring rules, referee and seconds, for Corbett says that unless Fitzsimmons acts the man and accommodates himself to circumstances "he will send him to a hospital" the first time he meets him, and that he will go quite a way out of his scheduled theatrical route to meet the Cornish man.

Yesterday there was a conference between Dan Stuart, Joe Vendig and the fighters, the latter by proxies, Brady representing Corbett, and Fitzsimmons' representative being his brother-in-law, Martin Julian. Mr. Stuart wanted a postponement until Nov. 15. He argued that even if the final resort sustained the decision of the challenger it would take that long to restore confidence and get the crowd to Hot Springs. Brady, for Corbett, was willing, but Julian was not. The proposition was then made to have the main fight in private for the main stake, \$10,000 a side. Here Stuart interjected an offer of an added \$10,000. Brady was again willing, but Julian demurred. He opined that the club, if it pulled the fight off on Oct. 31, would have to make good its full promise of \$41,000.

In all equity, in the face of the entanglements which have beset the path of Dan Stuart and Joe Vendig, this cannot be done. Where, a month ago, hundreds of excursion parties were being organized for the trip to the fight, there are none today. Stuart asked for time, and Corbett granted it, but Fitzsimmons has exacted his full pound of flesh. As matters stand at this moment, to use the words of Howard B. Hackett, the highest pugilistic authority in America, Corbett wants to fight, but Fitzsimmons does not.

Finally, in a moment of disgust, the Florida Athletic club declared the contest between James J. Corbett and Robert Fitzsimmons off. The programme now is to substitute Peter Maher for Fitzsimmons in a contest with Corbett, and another man to be found will be depended on to entertain Steve O'Donnell.

President Dan A. Stuart last night gave the following statement to a representative of the Associated Press: "At the outset," began Mr. Stuart, "it must be conceded that I was right. The fact that I was right is demonstrated when it is recollected that it took an extraordinary session of the legislature of the state of Texas to make me wrong. This, after the highest criminal tribunal of the state had adjudged me right.

"I seek other colgas. One is afforded me here in the state of Arkansas. Every inducement is made me to bring off the contest here. I am told that there is nothing illegal in what is projected. Were I other than sound in my belief that Chancellor Leatherman would be sustained by the supreme court I would never have made the offer to defer the contest and personally obligate myself to see that the full \$41,000 would be paid over to the winner of the contest.

"I did know, however, that there was a great deal of doubt as to my ability to re-insill confidence into the fight going public by the time originally agreed upon. I asked for a postponement of eleven days. Mr. Corbett was willing. Mr. Fitzsimmons was not. To my offer to add a purse of \$10,000 on the heels of Fitzsimmons' proposition to meet Corbett in private on Oct. 31 Mr. Julian, acting for Fitzsimmons, demurred. He would have the contest take place on Oct. 31 or not at all. I contended that if it was worth Fitzsimmons' while to fight on Oct. 31 it were better to wait eleven days and win \$10,000 more.

"My offer is now permanently withdrawn. I am unwilling to believe that any fair proposition will meet the approval of Fitzsimmons. I have no particular liking for the present champion, yet I must accord him that which is his due. He saw the plight in which the Florida Athletic club was placed and appeared willing to accommodate himself to circumstances. Mr. Fitzsimmons may or may not be able to comprehend the situation, and his personal actions I would not attempt to criticize."

In the supreme court, at Little Rock, yesterday Attorney General Kinsworthy presented a petition for an order restraining the proposed fight from taking place pending a hearing of the case on its merits. Attorney Martin asked for further time, and the hearing of this motion was thereupon adjourned until today. Should the restraining order be granted the case will probably not come up for a hearing on its merits until some time next spring, relieving the governor of further responsibility. In the event that the order be refused Governor Clarke intimates that he might convene the legislature to pass a felony act.

It is given out that Julian will have Fitzsimmons in Dallas on the 31st, where the contract stipulates the fight shall occur, and claim the forfeit of \$2,500.

HURLED DOWN A SLOPE.

A Miner Rescued From Drowning But is Fatally Injured.

Peter Becker, a miner, was fatally injured by being thrown from a cage in the Tunnel Ridge slope at about 6 o'clock this morning. The accident was of a thrilling character.

Becker and Daniel and James Day were going down the slope in a cage when it jumped the track and knocked out a set of timber. The shock threw Becker out of the cage with great momentum and he rolled down into the cage hole 20 yards distant. James Day was also thrown out of the cage, but quickly recovered himself and went in search of Becker. He found him floating in the cage hole and about to sink. Day grabbed Becker by the hair of the head and kept him afloat until assistance arrived. Becker was taken out of the hole unconscious and when last reported was still in that condition. He suffers from concussion of the brain. James Day was considerably bruised. Daniel Day saved himself from injury by catching hold of a prop and preventing a roll down the slope.

CRUSHED UNDER A BOULDER

One Miner Instantly Killed and Another Dangerously Injured.

ROCK FALLS IN MAPLE HILL!

The Unfortunate Men Were at Work Shoveling Away Debris From Under the Treacherous Mass When it Fell Without Warning.

There was an accident in the workings of the Maple Hill colliery last night by which one miner was instantly killed and another dangerously injured. A third man working on the shift escaped injury, although he was close to the victims when the accident occurred. The man killed was Albert Defrehn, who resided at 215 West Coal street. The injured man is Anthony Babnis, a Lithuanian, residing on North Plum alley.

Defrehn and Babnis were contractors on the night shift driving what is known as No. 1 plane of the slant gangway. Both men were under the top rock, shovelling out the loose stuff to George Matichulis, the laborer, who was shovelling the debris into a car. The intention was to clear the place and make ready for another shift. It was between seven and eight o'clock. After the miners had shoveled for some time the top rock fell without warning. A solid mass fell upon Defrehn, throwing him down upon his face and crushing the life out of him. Death must have been instantaneous. Babnis, the Lithuanian miner, was fortunate, but suffered considerably. He escaped the bulky mass and was covered by smaller pieces. He was not as close to the face as Defrehn was. Matichulis, who was not working under the top, but close to the opening under it, escaped the fall and did not receive a scratch.

Matichulis hurried out after the fall occurred and summoned assistance from the main gangway. Willing hands were soon at work and Babnis was pulled from beneath the debris in a half smothered condition. Efforts to get Defrehn's body out failed for a time. The piece of rock that pinned it down was so heavy that the united efforts of nine men could not move it. The men were obliged to break the rock in pieces to get the body out. An examination of the remains showed there were no outward indications of mutilation. Babnis' right leg was crushed below the knee and his body was badly contused. It is believed he is injured internally. Babnis was sent to the Miners' hospital this morning.

Albert Defrehn was 38 years of age. He is survived by a wife, but no children. The funeral will take place at 8 o'clock on Friday morning and Rev. Robert O'Boyle, pastor of the Trinity Reformed church, will officiate at the ceremonies.
